

**Ronald
McDonald
House®**
Central Illinois

Day Program

Families receiving medical care in Springfield can use Ronald McDonald House Central Illinois during the day at no cost.

Open 8 am–8 pm

Registration required. No background check needed.

In Springfield, families can enjoy:

Meals, laundry, WiFi, children's library, playground, family areas, and dining areas.

Overnight Stay

Families traveling to Springfield for a child's medical care, or high-risk pregnancy care, may be eligible to stay overnight at no cost.

Eligibility:

Families must live at least 20 miles away and have a child age 0–21 receiving medical care, or be receiving high-risk pregnancy care, in Springfield.

Overnight stays are available for:

Hospital stays, appointments, emergency care, planned visits, high-risk pregnancy care, medical care, behavioral health or mental health care, dental, vision, and hearing care.

Families have access to:

Private bedrooms, warm meals, kitchen and pantries, living and dining areas, laundry, WiFi, and indoor and outdoor play areas.

A short background check is required for overnight stays.

Families are never asked to pay.
